Shivalik Campus, spread over an area of 20 acres in the foothills of Shivalik Range, Dehradun, is exquisitely designed with well laid out lush green lawns and a series of imposing buildings, offering an idyllic academic Environment

## INTEGRATED Infrastructure

- Latest Teaching Methodologies with ICT Tools and Instruments for interactive teaching and learning methods.
- 20 Acres Campus in the foothills of Shivalik Range.
- Campus LAN connected via Fiber Optic Cables and 24x7 Wi-Fi Facility
- Well Equipped Laboratories.
- In-Campus Separate Hostel for Boys and Girls with CCTV Surveillance.

The Shivalik Campus is spread over an area of 20 acres in the foothills of Shivalik Range, Dehradun, the capital of Uttarakhand. The Institute is exquisitely designed, with well laid out lush green lawns and a series of imposing buildings, offering an idyllic academic environment. A sound infrastructure, experienced, qualified and stellar faculty of Professors, Associate and Assistant Professors with a vision to build empowered professionals who succeed in every walk of life.

**#3** Best Private Engineering Institute in Uttarakhand

**#16** Best Private Engineering Institute in North India

**#85** Best Private Engineering Institute in India

Ranking by Times Engineering THE TIMES OF INDIA 2021

First college in Northern India to establish IBM System Centre of Excellence for Cloud Computing.

First college in Dehradun, Uttarakhand to Establish DELL (EMC) Center of Academic excellence

First college in Dehradun, Uttarakhand to tie up with BMW German automobile company.

Dedicated Entrepreneurship Development Cell in association with NIESBUD, Ministry of Education

Value addition Certification IIT, Mumbai (FOSS).

Confederation of Indian Industry

Collaboration with CII for Industry Interactions

ICTACADEMY

Fresher Induction Program through ICT Academy's GET SET GO

IIT BOMBAY

Set up of e-Yantra Labs in association with IIT Bombay

## What makes us Different?

- An institution **rooted in the Indian education culture** - but with a global outlook, aspiring to rank amongst the best in the world.
- **Entrepreneurial focus** - With a key focus on entrepreneurship, SCE, one of the leading Engineering Colleges in Dehradun, provides a liberal learning environment for the entrepreneurs of the future.
- **Experienced Professors and faculty** - Our passionate and experienced teaching staff have internationally recognized academic qualifications, specialized memberships and current industry skills that provide a practical focus for learning.

## The Shivalik Advantage

- Highly Efficient Program Policy and an accessible and diverse faculty.
- Guaranteed Placement Assistance with a Value for Money Programs.
- Student Centric Approach & Affluent Industry Interaction.
- Incubation Centre in collaboration with Industry & MSME, Government of India
- 24/7 fully wi-fi connected campus for anytime information exchange.

### The First College in Uttarakhand

to be awarded with Best Industry Interface award by CMAI, AICTE and UTU

# PLACEMENTS IN the best of companies

## our recent achievers

The training and Placement Cell plays a vital role in providing various training programs both in-house and out-house - such as Summer Internships, Workshops, Seminars, Industry Visit, Personality Development Programs, etc. to imbibe in the students and make them acquainted with the corporate

culture and the practical implication of the various theoretical subjects. Moreover, it helps in bridging up the gap between campus and corporate.

The Training and Placement Cell maintains a close liaison with the Industry and other

employers in order to facilitate the placement of the students. Moreover, the cell tries or arranges interaction of the students with professionals from industry regularly so as to provide them with first-hand knowledge of the industry.

# SHIVALIK'S shining stars

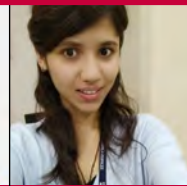

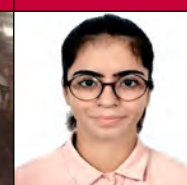

Over the past decade, Shivalik College has been recognized as an institution par excellence, dedicated to providing students with a strong scientific, technical and holistic foundation that encourages them to be the initiators of creativity and seekers of solutions. We take pride in our unwavering commitment to producing qualified professionals and future leaders of the world. Our goal is to prepare our students for gratifying and outstanding careers and not just jobs and hence place immense focus on

academic coursework and professor-student interactions that enable one's analytical framework to innovate optimal solutions to challenges.

The campus hosts over 350 reputed companies from all over the world, looking to recruit the best talents, and over 3500 successful alumni situated across the world. Every year, Shivalik College beats its own placement record set the previous year, with 30LPA being the highest package offered by

Google in the year 2020. The college outperforms any and every standard set by itself the year before and establishes itself as the best university for students to find the path to their dream career. Shivalik hosts reputed companies every annual placement season namely Amazon, Bajaj, Byjus, Extramarks, HCL, IBM, Luminous, Infosys, TCS, OLA, Wipro, etc.

# almuni speaks

The best measure of the success of an educational institution is the success of its alumni. SHIVALIK has a highly networked strong community of over 2500+ alumni who are enjoying distinguished status in various organizations in India and across the globe. An alumni meet, organized every year, is marked with the sharing of success stories, experiences and memories amidst a myriad of cultural events.

I am glad to share my positive journey of B.Tech at Shivalik College. I got placed in TCS, it is because of the efforts put by our faculty members and Training and Placement. Due to this students get placed in the best companies around the globe. My sincere gratitude to the Training & Placement Department for their efforts in imparting quality technical and aptitude training

## Abhijeet Bhatt Placed in TCS

"I got placed in Hitachi as well as Collar Search, and it is because of the efforts put by our faculty as well as the Training and Placement department, which always makes sure that students get placed in the best of the companies present in the market."

## Smriti Prakash Placed in Collar Search

"Thank you Shivalik for opening doors to so many opportunities and thank you for setting me up for success. I am beyond blessed to have the college experience that I have."

## Vipendra Singh Placed in KP Reliable

"Thank you so much Shivalik college of Engineering for your support and guidance in creating a healthy environment. It's been my honour to be a part of this Shivalik family which helped me to achieve my goal."

## Vishal Gupta Placed in Hitachi

"A safe, professional and friendly environment with quality teaching, assessment and management of learning. There is a mechanism for students to pursue grievances and learning related issues as and when required."

## Devbrath Singh Placed in Kellton Tech

**in-campus hostels.  
sports infrastructure.  
dedicated reading spaces.

- Bank and In-campus ATM Facilities.
- Recreational Rooms with TV and Multimedia.
- Peaceful and Student Friendly Environment.

# Courses Offered

## B.Tech

Duration : 4 Years, 3 Years (LE)

- B.Tech Civil Engineering
- B. Tech (Hons.) Civil Engineering in Construction Management
- B.Tech Computer Science Engineering
- B. Tech (Hons.) CSE in AI and ML
- B. Tech (Hons.) CSE in Data Science
- B.Tech Mechanical Engineering
- B. Tech (Hons.) Mechanical Engineering in AI and Robotics
- B. Tech (Hons.) Mechanical Engineering in 3D Printing & Design
- B.Tech Electronics and Communication Engineering
- B. Tech (Hons.) ECE in Internet of Things (IOT)

### Eligibility

- 10+2 with minimum 45% Marks in Physics, Mathematics along with Chemistry/ Biotechnology/ Computer Science as one of the subjects.
- For Lateral entry:
  - Passed Diploma examination with at least 50% marks in **ANY** branch of Engineering and Technology
  - Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 50% marks and passed 10+2 examination with Mathematics as a subject
  - Provided that the students belonging to B.Sc. Stream, shall clear the subjects Engineering Graphics/ Engineering Drawing and Engineering Mechanics of the First Year Engineering Programme along with the Second-year subjects
  - Provided that the students belonging to B.Sc. Stream shall be considered only after filling the supernumerary seats in this category with students belonging to the Diploma stream
  - Passed D. Voc. Stream in the same or allied sector
  - In the above cases, a suitable bridge Courses, if required such as in Mathematics may be conducted.

### Fees

₹93,900 per year

## Polytechnic

Duration : 3 Years, 2 Years (LE)

- Polytechnic - Civil Engineering
- Polytechnic - Computer Science Engineering
- Polytechnic - Electrical Engineering
- Polytechnic - Mechanical Engineering

### Eligibility

- High School with minimum 50% marks in Science & Mathematics from a recognized board or equivalent. For Lateral Entry 10+2 with minimum 45% Marks (40% in case of reserved category) in Physics, Mathematics along with Chemistry/Biotechnology/Computer Science as one of the subjects.

### Fees

₹42,000 per year

## B. Pharm

Duration : 4 Years, 3 Years (LE)

- B. Pharm
- B. Pharm (Lateral Entry)

### Eligibility

- First year B. Pharm: Candidate shall have passed 10+2 examination conducted by the respective state/central government authorities recognized as equivalent to 10+2 examination by the Association of Indian Universities (AIU) with English as one of the subjects and Physics, Chemistry, Mathematics (P.C.M) and or Biology (P.C.B / P.C.M.B.) as optional subjects individually. Any other qualification approved by the Pharmacy Council of India as equivalent to any of the above examinations.
- B. Pharm lateral entry (to third semester):  
A pass in D. Pharm. course from an institution approved by the Pharmacy Council of India under section 12 of the Pharmacy Act.

### Fees

₹89,300 per year

## D. Pharm

Duration : 2 Years

- D. Pharm

### Eligibility

- Admission to D. Pharm. program is open to a student who passed Higher Secondary (10+2) from any approved Board with minimum 45% marks in PCB/PCM.

### Fees

₹65,000 per year

## B.Sc.

Duration : 4 Years

- B.Sc. Agriculture

### Eligibility

- A candidate who has secured at least 50% marks (45% in case of candidate belonging to scheduled cast / tribes) of the aggregate marks in four compulsory subject i.e. Chemistry, Physics, Biology/Math and English taken together of 10+2 pattern or equivalent examination from recognized Board/University shall eligible to join the first semester of the course or intermediate/10+2 with agriculture subjects.

### Fees

₹61,500 per year

## BBA

Duration : 3 Years

- |  |   |
|--|---|
| <b>General Programs</b>                  | <b>Industry Specific Programs</b>         |
| • BBA in Entrepreneurship and Innovation | • BBA in Health Services                  |
| • BBA in Finance                         | • BBA in Hospitality & Tourism Management |
| • BBA in Marketing                       | • BBA in Retail Management                |
| • BBA in Human Resource Management       | • BBA in Information Technology           |
| • BBA in Business Analytics              |   |

### Eligibility

- 10+2 (any stream) with minimum 45% Marks, passed their STATE/CBSE/ICSE/Equivalent Board Examination are eligible to pursue this course.

### Fees

₹61,000 per year
