At Shivalik College, we believe that there's an enormous obligation on our shoulders as educators of the modern world. Since the moment we have set up our establishment in directing students towards the path of a successful career, we have begun to increasingly comprehend the significance and the true meaning of education.

Dr. Prahlad Singh
Director
Shivalik College, Dehradun

As we approach the end of another remarkable academic year, it is with great pleasure and pride that I extend my warm greetings to each member of our esteemed Shivalik family. The annual newsletter provides us with a valuable opportunity to reflect on our collective achievements, celebrate the spirit of learning, and envision a future filled with continued growth and success. Thank you for your continued support and dedication.

Prof. (Dr.) Sayantan Mukhopadhyay
Principal
College of Pharmacy, Shivalik Campus

Shivalik College believes in holistic education whereby it endeavors to nature, shape and empower every student to become a highly productive and responsible human being and in turn develop an independent and innovative thinking. The past year has been a testament to our collective resilience and adaptability. We faced unprecedented challenges, and yet, the spirit of our community prevailed. Wishing you all a successful and fulfilling academic year ahead

Cybershikshaa Programme

A Skill Development Initiative for Women in Cyber Security

CYBER
shikshaa

A Joint Skills Initiative of

Training Partner

DSCI's Cybershikshaa for BFSI Program is a new initiative and a significant event that holds great importance in the field of cybersecurity. This initiative, in collaboration with DSCI-Microsoft, aims to provide specialized cost-free training in cybersecurity to 50 women engineering graduates from 11 different states, who come from humble backgrounds.

Super 50 Training & Placement Programme Coding Club By IITians

Our Super 50 Training and Placement program offers a cutting-edge training model, providing students with offline classes led by top-placed IITians on our campus.

Our team of mentors and coaches consists of IITians who have achieved exceptional placements in renowned companies with a CTC ranging up to 25 Lakh per annum!

Quality Section IQAC-Champions

Chandrayaan-2

The Chandrayaan landing event with 120 students exemplifies outcome-based education (OBE) by intertwining specific learning goals with a real-world experience. OBE emphasizes precise learning objectives; here, witnessing the lunar landing serves as an experiential goal linked to understanding space exploration, scientific advancements, and technological applications. This event aligns with OBE's core principle of connecting educational experiences with predefined outcomes.

It's impressive that Shivalik College conducted a 6-day Faculty Development Program from July 24th to July 29th, 2023, focused on Outcome-Oriented Teaching, Learning Practices, and Research. Such a program likely equipped faculty members with advanced tools, methodologies, and insights to align teaching practices with specific learning objectives.

Following are the names of OBE Champions: ME Deptt

- ME Deptt - Mr. Ajay Verma & Dr. Abhishek K Jha
- CE Deptt - Ms Ankita Sawai
- ECE Deptt. - Mr. Ashish
- BBA Deptt - Dr. Amrita Signh
- COP - Mr Vineet
- CSE - Mr Sartaj khan
- CSE - Mr Himanshu Suyal

OBE Training

Teacher's Day Celebration

Shivalik College Teacher's Day celebration exemplified the essence of outcome-based education (OBE) by recognizing and honoring the profound impact educators have on shaping futures. By honouring educators dedication and invaluable contributions, the event underscored the significance of the teacher-student relationship in achieving educational goals aligned with OBE principles. It emphasized the collaborative effort between teachers and students in attaining specific learning outcomes and cultivating a learning environment that extends beyond textbooks, aiming for comprehensive growth and preparing individuals for real-world challenges.

Hackathon

By providing a platform to aspirants for participants to ideas, create, and innovate, the Hackathon embodies OBE's philosophy of linking educational experiences to tangible outcomes. It enables individuals to develop competencies, apply learned concepts, and cultivate skills relevant to their academic and professional growth. iHub Shivaik's Hackathon, slated for September 25th-26th, 2023, serves as a platform fostering innovation, collaboration, and creativity among participants.

Clubs & Activities

Shivalik College

Cultural Club (Carvan)

On 9th August 2023, the club organized an Induction Program 'Cyber Shiksha' to highlight the transition from school to college life. The Cyber Shiksha Program indicates a transformative initiative in the realm of digital education, aiming to equip individuals with essential cybersecurity skills.

On 23rd September 2023, the club organized the Fresher's party 'Abhinandan-2023' to highlight the talent of new students in different fields like music, dance, Singing, acting arts etc.

On 4th November 2023, the club organized the Science Championship to shed light on the latest technologies and their implementation in the modern era for the better usage of natural resources.

Fine Arts & Craft Club (NEXUS)

- The club organised an in-house Rangoli-making competition
- Diya Painting Competition

Girl - Up- Club Shivalik

On 22nd November 2023, the members of this club attended the 3rd Women Scientists Conclave 2023-24 Empowering Women in Science, organized by Uttarakhand Science Education and Research Center (USERC).

On 29th November 2023, the club organized a Debate Competition

Fitness & Adventure Club

On 1st November 2023, the club organized a Zumba Class with professional trainers to train the participants for a stress-free session of fitness.

Another activity of the club is Bhadraj Trek to enhance a holistic learning experience, combining physical activity, outdoor exploration, teamwork, and personal development among students.

Health Club

- The club has organized several activities in the session 2023-24 as the Voluntary Blood Donation Camp'
- National Cancer Awareness Day 2023
- Awareness program on 'World AIDS Day 2023
- The NBEMS CPR Awareness and Training Program.

Literary Club (Litcore)

On 30th Nov 2023, the Litcore club organized an essay writing competition the topic was "Impact of increasing inflation on the global economy" to enhance critical thinking, writing skills, research, and effective communication among students.

Coding Club

The club has organized several activities such as the Foundation of Artificial Intelligence and Machine Learning, 'Foundation of Data Science', 'Applications of Machine Learning', 'AWS CLOUD', 'Python for Machine Learning & Data Science'.

Sports Club

On 29th September 2023, Shivalik Sports Club conducted a Cross Country Event on the occasion of National Sports Day and the Birth Anniversary of Moj. Dhyanchand.

Sports Club, SCE & COP students Participated in the Volleyball Tournament-2023 from 16th to 18th October 2023 conducted by VMSBUTU and showed their enthusiasm and discipline all over the event.

On 30th October 2023, Sports Club, SCE & COP students Participated in the Kho-Kho Tournament-2023 conducted by JBIT, Dehradun. Each athlete showed enthusiasm and became the winner in the Girl's Category.

Science Championship 2.0 Dehradun

Shivalik College orchestrated a remarkable event, the Science Championship 2023, an inter-school project competition. This competition drew eager competitors from various schools in Uttarakhand, each bringing a competitive spirit and a resolute determination to showcase their achievements. The Science Championship served as a platform for students to not only compete but also to enhance their ability to learn and swiftly grasp new technologies or concepts.

Science Championship 2.0 Patna

Winner Schools

- 1st winner:- Army Public School
- 2nd winner:- Gyan Niketan School
- 3rd winner:- St. Karans High School
- Best Educator:- DAV Public School, BSEB
- Special Category:- SVM Residential Public School

Science Championship 2.0 Pithoragarh

The chief guest of the event was Mr. Varun Chaudhary, IAS, Chief Development Officer of Pithoragarh. Don Bosco School awarded with 1st prize. Chairman of Municipal Corporation was the chief Guest for the Vedicatory function.

Events & Activities

Institution's Innovation Council

Participated in Institution's Innovation Council (IIC) meet on 23rd November 2023 at Amity University Noida and poster presented.

MOU signed with IHub Divya Sampark

An MOU with IHub Divya Sampark (IIT Roorkee) was signed and IHub Shivalk was created. The propose to the MOU is to formalize and intent to collaborate on event and network facilities.

World Food Day

The department of agriculture commemorated World Food Day on 16th Oct, 2023. The event aimed to shed light on global food security issues, promote awareness about sustainable food practices, and inspire action towards achieving zero hunger.

Uttarakhand Global Investor Summit

Uttarakhand Global Investors Summit was organised by the state government on 08 th and 09 th December 2023 at Forest Research Institute, Dehradun. Hon.Prime Minister, Mr. Narendra Modi, Hon. Chief Minister Mr. Pushkar Singh Dhami, were present at the event.

E-Sports BGMI

The Gamerz Hub, hosted second successful activity BGMI DAY 2.0. In which conducted same set of matches in which we played 2 Solo matches and 1 Squad Match. BGMI, is a TPP- FPP survival shooter game.

Collage Making

Department of Management organised a Collage Competition on the theme G - 20 Summit on October 10, 2023.

World Pharmacist Day

"Pharmacy strengthening health systems" was the theme of FIP's World Pharmacists Day on 25 September 2023. The theme provided opportunities to raise awareness about pharmacists as a smart solution.

White Coat Ceremony

On 25th September 2023 White Coat Ceremony programme was conducted on the occasion of World Pharmacist Day.

Teacher's Day Celebration

Shivalik Chronicles - A Biannual Glimpse into Excellence

“Coming together is a beginning. Keeping together is progress. Working together is a success.” -Henry Ford

The journey towards achieving our aspirations requires sincere efforts. At Shivalik College of Engineering, this journey is not just a passage of time, but a story of cultivating creativity and inspiring innovation. Being the first autonomous college in the Dehradun region of Uttarakhand, and having obtained the esteemed NAAC A+ grade, Shivalik College of Engineering is an excellent model of academic excellence. For the Shivalik family, it is a moment of immense pleasure and intellectual exaltation to introduce the first biannual newsletter of the Shivalik College of Engineering. The first biannual is a testament to the college's dedication to providing high-quality education and professional development.

Shivalik College of Engineering offers a variety of undergraduate and postgraduate level courses in Engineering, Pharmacy, Agriculture, and Management. The college owes its success to its Hybrid Model of Education which innovatively blends academics and research. This model creates a dynamic learning environment where the curriculum is carefully designed to incorporate academic coursework and research components. Hosting regular research conferences and symposiums that facilitate collaborations with international institutions, the college actively encourages research internships with industry professionals and provides students with a global perspective in their pursuits. It is a place where students are encouraged to explore their interests beyond the classroom. The college believes that every student has unique talents that should be nurtured. For this reason, the college offers a broad selection of student organizations and societies to furnish a multitude of interests. With over 13 clubs and societies on campus, students have the opportunity to discover their passions alongside like-minded individuals.

Shivalik College of Engineering is committed to continuing its journey with the support of all stakeholders. Our mission is to facilitate and enhance cooperation and alliances between researchers, government, and industry, and promote collective responsibility with ethical conduct of research and compliance. Perfection is a platonic goal of any scholastic and philosophical project and inconsistencies in the same is an Aristotelian reality. Accepting the same with due respect and humility, we sincerely look forward to constructive suggestions and constant feedback to enhance of standard and quality of our newsletter. The college aspires that this first biannual newsletter will inspire and pave the way for new perspectives in the ever-evolving landscape of learning

A Transformative Journey through Academia and Innovation at Shivalik College of Engineering

“If a man empties his purse into his head, no man can take it away from him. An investment in knowledge always pays the best interest.”

-Benjamin Franklin

As a proud student of Shivalik College of Engineering Dehradun, I find myself reflecting on the journey that has brought me to this pinnacle of achievements. As an engineering student, I am at the vanguard of a transformative journey, benefiting from an environment that is dedicated to academic brilliance, research, and overall student development.

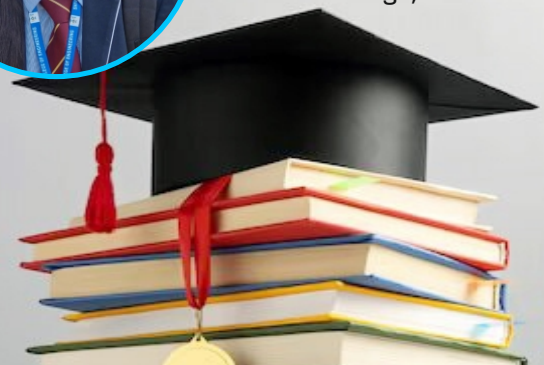

To foster a conducive learning and research environment, the college hosts regular research conferences, and internships with industry partners. The college's mentoring program, combined with regular feedback channels, has transformed me from a passive learner to an active participant in my education. Apart from the classroom, the college encourages students to participate in research projects that not only improve their understanding of the subjects but also equip them to evolve in the professional world. The college offers a wide range of opportunities to participate in clubs' events, research opportunities, industry exposure, and a supportive learning environment that has given me better opportunities to learn and grow.

I am fortunate to be a part of an institution that not only provides knowledge but also encourages me to explore my passions beyond the classroom. Whether it's participating in robotics competitions, hackathons or cultural events, I am empowered to broaden my skills. As an engineering student, I must say that Shivalik College of Engineering has exceeded all my expectations in terms of developing me as a better professional.

Sakshi Chamola

B.Tech. III Year,
Computer Science and Engineering
Shivalik College, Dehradun

TESTIMONIAL

"In Shivalik college, I have met a plethora of professors who have poured their lives into the students, and I'm so lucky to be their student. At every step I have been fortunate to interact with some very different and motivated sets of minds."

Devesh Dutt (B.Tech CSE 2023)
Tech Mahindra

"My journey during college time was really splendid and all the kudos to Shivalik College of engineering. A college is a place where life lessons should be put more into light along the curriculum."

Arushi Bhanmdari (B.Tech CSE 2023)
Hitachi System

"From my education and credentials to the person I am today, Shivalik College of Engineering has impacted me and others like me in every way. The instructors here consistently encourage the students to step outside of their comfort zones."

Ankit Gupta (B.Tech CSE 2023)
TCS

"I am deeply grateful to Shivalik College of Engineering, its dedicated faculties, and the Training and Placement Office for playing a pivotal role in shaping my success. From day one, their guidance not only helped me find the right career."

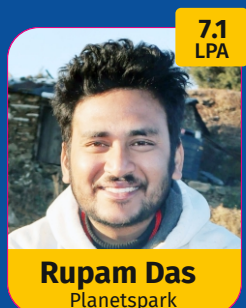

Harsh Vikram Shahi (B.Tech CSE 2023)
Deloitte

"My career as a Graduate Apprentice Trainee at Panasonic Life Solution has been greatly aided by Shivalik College of Engineering, however, throughout my academic career, I have been exceedingly fortunate to have been led by the best mentors."

Vivek Priyadarshi (B.Tech EEE 2023)
Panasonic Life Solution
